

MEMBERSHIP LEVELS

Our association offers a variety of membership levels based on the following criteria:

ACTIVE MEMBERSHIP

Any individual who is engaged in the production of ready mixed and/or concrete products for commercial purposes or any individual who represents a firm or corporation which is so engaged shall be eligible for active membership in this Association.

ASSOCIATE MEMBERSHIP

Any individual or firm who is engaged in the manufacture or sale of equipment, or materials, or any individual who represents a firm or corporation which is so engaged, or members of technical and professional societies and organizations interested in the industry shall be eligible for associate membership in this Association.

AFFILIATE MEMBERSHIP

Any individual or firm who is interested in the goals and purposes of the Association, but not eligible for Active or Associate membership, shall be eligible for Affiliate membership in this Association.
